Here's how it works: The Explorer Party Bus is fun and safe transport for you and your friends, you can dance, you can sing or you can just relax. We take you bar to bar or where you would like to go safely & then home again but we have to have a few rules and guidelines to keep everyone safe & within the law. We only allow responsible drinking behavior, no funnels, drinking games, etc. No Smoking is allowed on the bus anytime, failure to adhere to this, there is a mandatory \$50 cleaning fee. It is not permitted to park up and remain on the bus or just drive around all night. **Most of Auckland is covered by an alcohol ban so Never consume alcohol off the bus except that bought and consumed in bars we visit (any one doing so will be instantly evicted from the bus) Drinks taken on the bus must be in Cans and plastic bottles only – no glass: It is the responsibility of the hirer to obtain a special liquor license in advance. Anytime alcohol is consumed on the bus, there is a mandatory minimum \$50 cleaning fee.**

Your outing will be finished immediately for any of the following reason

- Any wilful damage to the bus. You will also forfeit your bond.
- Any verbal, physical abuse, threatening behaviour to the driver by any of your group.
- Fighting on the bus by passengers.
- Anyone interfering with the emergency door controls, drivers' controls or roof hatches etc.

We also reserve the right to;

- Insist on compulsory sober-up stops and non-alcoholic drinks be provided.
- **Evict persons who are:** not following the rules, too out of control or over intoxicated, throwing anything from the bus, or taking drinks off the bus.

We insist anyone over intoxicated should be sent home in a taxi, it's in your best interests and their safety to do so.

The Hirer is responsible for those on board & their actions

A Few Tips: Bring your MP3 player or USB memory stick which you can plug into our sound system. Music recorded from you-tube or other free/illegal services is normally not of high enough quality to play thru our amplifiers well, you are best to get original tracks from CD's or i-tunes etc. and copy them onto a USB memory stick or MP2 player.

Work out which bars you want to go to in advance and call them so they know we will go there. Plan your night with lots of breaks i.e.: 15-20 minutes driving followed by 50minutes at each bar (allow about 4 bars in a 5 hour hire.)

In the unlikely event of a break-down, it may take up to 2 hours to get a replacement bus if any are available at all. In this case, the hirer receives a refund for whatever portion of the hire isn't used. Explorer is not liable for any missed appointments.
